

**International Samaritan**  
**803 N. Main St.**  
**Ann Arbor, MI 48104**

Position: Summer Internship  
Reports to: VP of Operations  
Date Available: June 1, 2019 – August 15, 2019\*  
Compensation: \$4,000

**Organizational Background:**

International Samaritan walks hand-in-hand with people in garbage dump communities to help them break out of poverty. Our vision is a time when the garbage dumps of developing countries are no longer homes to human beings struggling to survive. Our mission values humility, empathy, reverence, and excellence. International Samaritan works in Nicaragua, Paraguay, Guatemala, Honduras, Ethiopia, and Jamaica.

**Internship Description:**

- Research and recommend a public policy strategy for the organization's mission
- Research current public policy in the countries we serve
- Research and recommend resources to improve access to water
- Research fair trade opportunities to market goods produced in the communities we serve
- Perform general office and administrative tasks as needed
- Translate video, audio, and stories from Spanish to English
- 32 hours a week

**Qualifications:**

- Currently enrolled or recently graduated from college or university
- Excellent oral and written communications skills
- Experience in an office setting or with administrative positions
- Ability to work independently, yet as a member of a team
- Proficiency in Microsoft Office and Mac platforms
- Spanish proficiency in reading and writing required
